KC MUFON Meeting

"The Sasquatch People and Their UFO Connection"

With Kewaunee Lasperitis, M.S. and his wife Kelly

Author of THE PSYCHIC SASQUATCH AND THEIR UFO CONNECTION, THE SASQUATCH PEOPLE AND THEIR INTERDIMENSIONAL CONNECTION, and his new book **SASQUATCH MESSAGE TO HUMANITY**

<https://sasquatchpeople.com/>

Kewaunee Lasperitis, AS, BA, MS, is a Holistic Health Consultant, Master Herbalist and Master Dowser with background in anthropology, psychology, conservation, and holistic health. His academic degrees are from: Greenfield Community College, Greenfield, Massachusetts; University of New Hampshire-Durham; North Adams State College, in North Adams, Massachusetts, and University of Wisconsin-Milwaukee. He also attended Williams College in Williamstown, Massachusetts. Kewaunee taught anthropology for one year at North Adams State College and later taught dowsing and psychic development at the Wisconsin Society for Psychic Research-Milwaukee. As a world authority on the Bigfoot/Sasquatch phenomenon, he has meticulously researched the subject for the last 60 years. Mr. Lasperitis is also a social scientist and both a Sasquatch and ET

"contactee."

Kewaunee's new book is the ultimate book on the Sasquatch phenomenon. Because the Sasquatch are genuinely people-not animals-Kewaunee is a crypto-anthropologist, not a crypto-zoologist. He elaborates on why they are humanoid beings and their purpose here, based on 32 years of interacting with the giants (and ETs) (out of the 55 years researching them). Kewaunee draws information from 187 witnesses who also experienced telepathic communication. Quantum physics describes the reality of mental telepathy, invisibility, inter-dimensionalism, and other PSI phenomena, and is actually juxtaposed with psychic Sasquatch and ET behavior.

Don't miss this meeting!

We will have some copies of Kewaunee's latest book available for sale
