ISSUE NO: 15

DATE: May 1991

DIRECTORS MESSAGE:

Plans for our September UFO conference are moving along well under the able direction of our coordinator Donna Milbourne. There is still much to do so if you have the time please contact Donna and offer her your help. The attached Registration form is for your use. If you are planning to attend please register as *early* as possible. We desperately need as many early registrations as we can get. This will help us pay the considerable start-up expenses for such a conference. You will note from the registration form we have *THE* best speakers available. Display tables will be set up for sale of UFO related items. This is a great chance to have these famous authors autograph your UFO books. I am looking forward to doing just that myself.

ALSO, you will find our UFO Conference advertising flyer for the general public. Please try to have this flyer displayed at your public library or any other place where the public will see it. If you have several places in mind you may want to copy it and display in as many places as you can. We need all the publicity we can get, and we **need** your help. *Thanks!*

New Cases :

We have several new cases in work. Time and space do not allow me to elaborate at this writing. Briefly, we are working a great day disc case with blue ribbon witnesses, circa 1982. There has been significant advancement in the Portland Radar Visual case due to the help of Mr Joe Kelly. Mr Raymond Fowler just referred an older trace case to us, circa 1966. And things are still being seen in the Londonderry area. I promise more UFO news in the next newsletter.

State Section Directors Needed:

At the request of MUFON, I plan to ask some of you to take the duties of State Section Director for your county. The goal of MUFON national is to have every county in the USA covered by a MUFON Section Director. I will give you all the assistance to do the job, the result will be a stronger and better organized New Hampshire MUFON.

State Meeting :

We plan to have one more state meeting prior to the September conference. The date and time will be announced in the next newsletter. Please plan to attend. We will be in the critical stages of our conference development and will need your ideas and help.

Welcome New Members :

Michael Bishop, Wilmot

Peter P. Deleault, Tilton
